

STOREFRONT: Checkers comes to Stratford

Cherry Hill 2:08 p.m. EDT March 12, 2015

A newly-renovated [Checkers](#) restaurant is slated to open in Stratford next week.

Maybe.

"We started construction back in September, but we're still working because of the delays we had due to the weather," says Suo Fang, director of operations.

"If we get all of the last permitting and inspections done, we are looking at maybe next Tuesday (March 17)," Fang

added.

There used to be a Checkers on the site at 2 S. White Horse Pike, but that closed about two years ago, according to Fang. When the new store opens, it will be one of only a couple in the tri-county region. (There's also one in Burlington on Mount Holly Road.)

"We'll have a two-lane drive-through and all new, state-of-the-art equipment," raves Fang.

"The new store brings about 25 jobs to the area," Fang notes.
