Checkers & Rally's Partners with No Kid Hungry To Help Provide Up To 1 Million Meals

The national drive-thru restaurant franchise has teamed up with No Kid Hungry to ensure that millions of children have access to the food they need

TAMPA, Fla. — Checkers & Rally's, an iconic and innovative drive-thru restaurant chain known for bold and flavorful food at an exceptional value and its people-first attitude, is partnering with No Kid Hungry, a national campaign to end childhood hunger in America, and donating \$100,000, enough to provide up to 1 million meals to children in need.

"Checkers & Rally's is deeply committed to the nearly 900 communities we serve, and by partnering with No Kid Hungry, we are able to make a big impact toward connecting kids with nutritious meals so that no child goes hungry," said Checkers & Rally's CEO Frances Allen. "We're proud to be partnering with a campaign that does so much good for so many children and families in need."

More than 11 million children in the United States live in households that don't have enough food for every family member to lead a healthy life. No Kid Hungry is ending childhood hunger through effective programs that provide kids with the food they need, such as school breakfast, and afterschool and summer meals.

"We are incredibly grateful for our partnership with Checkers & Rally's," said Diana Hovey, Senior Vice President at Share Our Strength, the organization behind the No Kid Hungry campaign. "With the continued support of committed partners like them, No Kid Hungry is helping children all over the country get the nutritious food they need to succeed."
